

# FLORIDA'S FIGHT AGAINST **BIDEN'S** BORDER CRISIS

## Governor DeSantis signed legislation to:

Prohibit government agencies from contracting with a common carrier that facilitates the resettlement of illegal aliens in Florida and require certain law enforcement agencies to enter into a written agreement with ICE to assist in enforcing federal immigration laws by identifying illegal aliens who do not belong in the United States.

Require all public employers and contractors to use E-verify to determine employment eligibility.

## **GOVERNOR DESANTIS FIGHTS FOR FLORIDA:**

- ✓ Deployed state law enforcement officers to Texas to provide additional support in response to the security crisis at the southern border.
- ✓ Issued Executive Order 21-223 to prohibit all Governor's agencies from supporting the federal government's illegal immigration actions and require collection of data on the costs of illegal immigration to Florida.
- ✓ Directed Department of Children and Families to issue an emergency rule prohibiting the issuance or renewal of any license to house unaccompanied alien minors who seek resettlement in Florida unless a cooperative agreement exists between the state and federal government.
- ✓ Successfully petitioned the Florida Supreme Court for a statewide grand jury to examine international human smuggling networks that bring illegal aliens to the southern border, how it impacts Florida, and how the organizations have violated Florida law.
